Our community tables  
Product range Bejola **connect**<sup>®</sup>

Our strong response to the  
demands of our time

Our community tables  
Product range **Bejola connect**<sup>®</sup>

**Sporty. Smart. Innovative.**

Take, for example, the **Bejola connect**<sup>®solar</sup>, featuring six charging options for smartphones, along with geo-fencing.

Seating for up to 8 people – perfect for celebrating, chatting, relaxing, BBQs, and much more. Ideal for clubs, municipalities, and many other areas.

## Our community tables The **Bejola connect**<sup>®</sup> product range

### **Solid. Durable. Customized for you.**

All our community tables are solidly constructed and designed for long-lasting use

**Long-lasting, weather-resistant materials for seats and tabletops**

**Substructure made of solid, powder-coated metal**

**Maintenance-free**

**Customization** Incorporate your name, company logo, sponsors, or club colors! Personalization options include tabletop engraving and custom coloring in a wide range of shades. Contact us to learn more!

Our top star:

**Bejola connect**® solar

This smart community table combines sporty functionality with cutting-edge technology:

With its integrated **solar module**, it provides surfaces for wirelessly charging up to 4 smartphones simultaneously.

Additionally, it offers two more charging options via **USB ports** for charging cables. The ports are neatly and securely installed under the table. Thanks to a viewing window in the tabletop, plugging in the cables is quick and easy.

Equipped with **geo-fencing**, the table can be located at any time. If the table leaves a predefined area set by you, the system sends a warning to your designated contact (via SMS, WhatsApp, or email). Thieves don't stand a chance.

The all-rounder:  
**Bejola connect<sup>©</sup>** basic

Our community table with sporty functionality

Seating up to 8 people

At the Bejola community table, you can spend your breaks at work or school, chat with friends at your club or in the city centre, enjoy your evening at the Biergarten, or have fries at the public swimming pool

The right choice with the right bench  
**Bejola Bench 'n Break<sup>®</sup>**

With our comfort bench, your break is not  
only relaxing – it also looks great!

## Our **Bejola Bench 'n Break**<sup>®</sup>

**Cost-saving** No need for paving foundations

**Carefree** The grass stays at a distance, and ticks don't stand a chance. Your health remains protected.

**Maintenance-free und durable** Seating surfaces made of UV-resistant material

**Base plate** Base plate available in either Corten steel or ST355 material

**Convenient** Easy to clean and mow underneath the bench thanks to the base plate

**The Plus** Can be equipped with a holder for ball washers and trash bins of all standard systems

**Customization** Personalization through sponsor plaques, or custom coloring in a variety of shades is possible. Numerous design options can be implemented through laser engraving on the legs

### The Royal Class

This comfort bench and its counterparts are in use on a golf course:

**High-quality wood design** with **exclusive sponsor dedication** on a brass plaque – the latter can be placed on backrest or base plate.

Do you love a splash of color?

Our benches and community tables  
come in a wide range of colors.

With advice, assistance, and plenty of dedication:
